

ACTRA TORONTO ALL-INCLUSIVE RADIO CONTRACT AND LIMITED LETTER OF ADHERENCE

Welcome to the ACTRA Toronto Interactive Radio Commercial Contract!

This fillable PDF contains multiple variations of calculations for our most popular radio commercials:

- 1 or 2 Radio commercials airing Nationally for 13 weeks - 2 hours of work time & 4 tag changes
- 1 or 2 Radio commercials airing Nationally for 31 days - 1 hour of work time & 2 tag changes
- 1 or 2 Radio commercials airing Nationally for 7 days - 1 hour of work time & 2 tag changes

Simply complete the contract on the day of production, click the  icon beside the corresponding commercial type and negotiated rate on page 1 and the form does the rest!

If the performer collects HST, click the checkbox on the contract to complete that calculation.

The form must then be printed and signed by the performer and producer.

The breakdown of fees will appear at the bottom of the contract indicating the two net cheque amounts payable. The “Net to Performer” amount is paid to the performer and the “Net to ACTRA” amount is payable to ACTRA Toronto.

When all that is done, submit the document and cheques to:

**ACTRA Toronto,
Commercial Payment Dept. 1st floor,
625 Church St. Toronto M4Y 2G1**

If you have any questions or concerns or don't see the type of commercial you are producing on our list, please call **416-928-2278** or email nca@actratoronto.com. A commercial representative will respond within 24 hours.
