

The purpose of this Guideline is to support first time and emerging producers working with emerging and diverse performers. In this context, the Union agrees to allow Full Members, Apprentice Members and ACTRA Additional Background Performers of the Union (altogether the “Members”) to participate in the Production under the following conditions:

1. Terms, Scope and Eligibility

- a. Unless otherwise specified, all capitalized terms referred to shall have the meaning prescribed as under the current Independent Production Agreement (“IPA”), which is incorporated herein by reference.
- b. The following project types are excluded under the Low Budget Guidelines: All Industrials, Corporate Videos, Documentaries, Dubbing, Animation, Pilots, TV Series, Television Movies of the Week, Music Videos, Digital Media Series (see WiP Guidelines), Interactive Video Games and Commercials.
- c. Declared Use shall be Theatrical and/or Film Festivals.
- d. All projects must shoot within ACTRA Toronto’s jurisdiction. Producers, directors, writers, performers, and key crew must all be Canadian or landed immigrant, and resident in Canada.
- e. Low Budget Guidelines are for a Declared Use of Theatrical and/or Festivals.
- f. Producers may or may not be members of the CMPA. The CMPA will determine the administrative fees required based on CMPA membership status.

2. Other than in cases involving Exempted Uses as defined and described under the subsequent paragraph below, the Producer shall ensure that all Performers participating in the Production be paid Use Fees in an aggregate amount equal to an amount based on their Total Production Budget.

Tier	Total Production Cost	Use Fee
1	\$275,000 – \$350,000	5% of DGR
2	\$150,000 to \$274,999	6% of DGR
3	\$50,000 to \$149,999	7% of DGR
4	< \$50,000	8% of DGR
Talent to Watch	certified budget < \$275,000	7% of DGR

The applicable percentage of Distributor's Gross Revenue (the "DGR") listed above shall be paid for exploitation in any Use after an initial Use period of six (6) months from first utilization. DGR payments shall be distributed to Performers through the ACTRA PRS on the following basis:

- a. Units will be assigned to Performers as follows: one (1) unit shall be defined as the minimum fee payable to the lowest-rated residual category for one (1) day of work. Performers shall receive units according to the number of days worked by that Performer for the Production, to a maximum of twenty (20) units per Performer. For each Production, the total revenue will be divided by the total units accumulated by all Performers receiving residuals with respect to the Production involved, and therefore a dollar value will be assigned to each unit. The distribution made to each individual Performer will be based on the number of units they have accumulated, and the dollar value calculated in the preceding sentence.
3. The Producer is exempt from payment of Use Fees when the Production is used for evaluation, educational, critique, or non-commercial purposes ("Exempted Uses"). For greater clarity, Exempted Uses include in-person or recognized online film festivals, showcase screenings, and workshops, or any other non-commercial venue where no admission fee is charged, and/or no revenue is derived, in any form whatsoever to the Production, the copyright holder, to any broadcaster or distributor of the Production, or to the Producer, their heirs, successors or assigns. Film festival and showcase cash awards shall be treated as DGR. "In-kind" awards shall be excluded from DGR.
4. All Performers involved in the Production ("Performers") must be ACTRA Members, with up to two (2) non-member permittees (in no instance greater than 50% of the speaking roles) allowed at the sole discretion of ACTRA, so long as the permittees are Canadian Citizens or Permanent Residents of Canada as defined under the Immigration and Refugee Protection Act of Canada. The Producer shall be responsible to pay for and remit to ACTRA permit fees per the IPA. All cast shall be engaged on ACTRA Contracts and paid not less than the minimum fees for their category of work.
5. The Producer shall submit to the Union a complete cast list of those Performers in categories outlined in B101 of the IPA. The cast list must include each Performers' names, ACTRA Member number, HST number (where applicable), number of days worked and, if any Performers are Minors, their dates of birth.

ACTRA recognizes that diversity and inclusion are our strength, and that understanding the overall demographic trends of our productions is a first step in striving towards richer stories from differing perspectives.

For each production, the Producer will gather demographic information about all Performers engaged on the production. ACTRA will provide the online form by which this information is collected anonymously, and the link will be distributed to the Performer by the Producer for voluntary completion on the first day of engagement.

Data derived from this collection will be reviewed annually by ACTRA. ACTRA commits to encouraging and educating its members in the importance of their participation in the collection of this data.

6. The Producer agrees to be responsible for all payments owing to all Performers, including any that were excluded from the final cast list provided to the Union.
7. If any Performers are Minors, the Producer shall strictly adhere to the terms pertaining to Minors as reflected in the current IPA and Protecting Child Performer Act in Ontario. The Producer must obtain the parent's written consent prior to any Minor participating on the Production and provide the Union with a copy of such consent no later than TWO (2) business days prior to the Minor's first day of engagement on the Production.
8. Where a Production requires nudity, intimacy, sexual violence, or simulated sexual activity, the Producer shall adhere to terms pertaining to nudity as reflected in the current IPA, and the Producer shall submit a nudity/intimacy rider no later than two (2) business days prior to the Performer's first day of engagement on the Production to the Performer and ACTRA. Producer shall make best efforts to see that an Intimacy Coordinator be engaged for such productions.
9. The Producer is responsible to provide a safe and healthy work environment per all governmental regulations and all guidelines provided by ACTRA. The Producer will also adhere to the Freedom from Personal Harassment provisions in the current IPA. The Producer will provide a copy of their Health & Safety policy at the time of offer to the Performer and provide to ACTRA no later than two (2) days in advance of the first day of work for performers.
10. The Producer shall ensure the proper, fully accessible audition facilities are used when auditioning Performers in person. No auditions or meetings shall be conducted in private offices, hotel rooms or residences where the Performer is alone with a representative of production.
11. It shall be the Producer's responsibility to provide nutritious snacks and meals as per the Canada Food Guide to all Performers at the Producer's expense.
12. The Producer shall ensure that no Performer participates in the Production without the prior consent of the Union, consent of which may be withheld by the Union for any reason. The Producer must submit a cast list indicating each Member and non-Union Performer no later than FIVE (5) business days prior to their engagement on the Production unless special arrangements are agreed to by the Union in advance of the first day of work.
13. **Minimum Fees:**
 - a. **All Performers (excluding Background Performers)** shall receive no less than the Minimum Fee per day of work based on the Total Production Budget, no later than seven (7) calendar days following the date of the Performer's engagement. Performers may, but are not

required to, donate up to ONE (1) EIGHT-HOUR day of rehearsal to the Production. Performers are free to negotiate above Minimum Fees.

- b. **Categories of Work:** for clarity, the Principal category is inclusive of Singers (solo or duo), Dancers (solo or duo), Stunt Performers, Stunt Coordinators, Assistant Stunt Coordinators, Animal Wranglers, and Intimacy Coordinators. Performers have the right to negotiate above minimum fees.

All ACTRA Background Performers shall receive no less than the Minimum Fee per day of work based on the Total Production Budget. Performers are free to negotiate above Minimum Fees.

** Count = Total Daily BG required for the production up to the tier maximum. e.g. "50%-16" means 50% of the total Background Performers required per day to a maximum of 16 ACTRA members.*
